EDUCATION

Chitkara University

Bachelor of Engineering in Computer Science and Engineering
CGPA: 9.8

Punjab

August 2020 - Present

Radha Krishna Public School

XII

Uttar Pradesh

March 2019 - March 2020

Radha Krishna Public School

X

Uttar Pradesh

March 2017 - March 2018

SKILLS

Programming Languages: C++, Java, JavaScript
Libraries/Frameworks: ReactJs, NodeJs, Express, HTML5, CSS3
Databases: MySQL, MongoDB

PROJECTS

CryptoIQ | [Link](#)

ReactJs, API, ChartJS, HTML, CSS, ChakraUI

- The Crypto IQ tracker React app is a web-based application designed to track cryptocurrency prices and market trends.
- Comprehensive platform for cryptocurrency enthusiasts and traders
- List of all major cryptocurrency exchanges for comparison and selection
- Graphical representation of key data points for each cryptocurrency Price, volume, market capitalization, etc.

ECOMZY - An ECommerce Website

Reactjs, Redux, API, CSS

- Developed a shopping website using ReactJS and Redux, which enabled users to browse, search, and purchase products online.
- Implemented Redux for state management.
- Integrated with an API to fetch and display real-time product data, improving the user experience and reducing the need for manual updates.
- Utilized React Router to enable dynamic routing and smooth navigation between pages, providing a seamless user experience.

Random Password Generator | [Link](#)

HTML, CSS, Javascript

- Developed a Random Password Generator that allows users to generate secure and unique passwords with customizable length and complexity.
- Created an interactive user interface that displays the strength of the generated password, including factors such as length, character variety, and complexity.
- Implemented an algorithm to generate a random password that meets user-specified criteria.

CERTIFICATIONS

- Building Modern Projects with React
- Object Oriented Programming
- Advanced Web Development
- Design and Analysis of Algorithm

HONORS & AWARDS

- Promotion Team Member at CEC
- 500+ DSA Problems Solved
- Completed Introduction to Cybersecurity
